**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy Sonic customer. I had their service for 5 years as a former copper-connected Fusion customer (service which relied on unbundled copper in the last mile),. I recently upgraded to their Gigabit Fiber (which still relies on unbundled elements for backhaul), I have found Sonics customer service superior to AT&Ts and they are a local company. Please support competition and choice so that we can have access to better service!!
